ELECOMP 2025

Iran's Premier Electronic, Computer & E-Commerce Exhibition

ELECOMP 2025 is the 28th Iran International Electronic, Computer & E-Commerce Exhibition **from 17 - 20 June 2025**. This esteemed event is the most significant commercial gathering in Iran's thriving electronics and computer products and services market.

ELECOMP presents an exceptional opportunity for domestic and international industry professionals to accelerate their business growth by establishing robust business connections and equipping themselves with the necessary tools to develop a formidable presence in this vast market. Since its inception in 1995, ELECOMP has served as the platform for numerous key players in Iran's electronic and computer sectors to showcase their latest software and hardware innovations annually.

The exhibition offers a unique setting for industry stakeholders to explore potential collaborations, forge new business ventures, and cultivate technological partnerships, enhancing their market reach and capturing a larger share of this rapidly expanding industry. With a keen focus on the private ICT sector in Iran, ELECOMP provides a gateway to many opportunities, enabling participants to showcase their products and services domestically and internationally while seeking reliable suppliers and partners.

In its previous edition, ELECOMP occupied a sprawling 65,000 square meter area, hosting the participation of 813 companies engaged in various industry sectors. Notably, the exhibition welcomed representatives from leading countries such as China, Turkey, Korea, Russia, Azerbaijan, UAE, and India, further highlighting its international prominence.

Join us at ELECOMP 2024 as we gather industry visionaries, innovators, and professionals worldwide to explore the limitless potential of Iran's electronics and computer market.

What is VIP Guest Program?

i H i T Iran, as the representative of the Vice Presidency of Science and Technology, is planning to invite selected foreign companies to ELECOMP 2025 to introduce the Iranian IT market and its opportunities abroad. To achieve this, we organize diverse professional programs besides the exhibition visit, including B2B meetings and networking events.

B2B Meetings

Enabling productive meetings with Iranian C-level executives.

ELE PITCH

Present your innovative products to a captivated audience in a high-level business pitch, nurturing valuable connections and opportunities with suitable partners.

Exhibition Visit

Gain complimentary access to explore and connect with over 500 exhibitors at the event.

Networking Events

Engage in exclusive dinner gatherings with influential Iranian ICT leaders to foster valuable connections and collaborations.

Complimentary Accommodation

Enjoy a luxurious four-night stay at a five-star hotel, inclusive of transportation, daily breakfast, and lunch.

Important Notes:

1. The program covers most expenses for VIP guests, excluding flight fares and Visa expenses (if applicable). Selected companies receive a complimentary booth. ELE Pitch is available at no cost for innovative products that bring value to Iranian companies, with 10 slots available for reservation with payment.
2. the organizer does not assume responsibility for additional expenses such as CIP reservations, in-room hotel services, personal costs, and extended accommodation.
3. Guests are expected to actively participate in B2B meetings and adhere to the delegation's itinerary.

Global Participation at Elecomp 2024

In the previous edition of Elecomp, we proudly hosted 48 international business professionals—both men and women—from 9 different countries across Europe, Asia, and the Middle East. Their presence not only added to the diversity and prestige of the event but also fostered meaningful cross-border collaborations and business opportunities. This growing global participation reflects Elecomp's position as a leading technology and innovation exhibition in the region.

Terms and conditions

1. Proficiency in English is essential for effective communication during all professional events, including B2B meetings, sessions, and visits.
2. The organizer will arrange accommodation for all guests in one of Tehran's luxurious five-star hotels and will cover a significant portion of the associated costs outlined in this document.
3. All meetings, whether suggested by the Iranian organizer or proposed by Iranian companies, will be communicated to the guests. Confirmation of each meeting is subject to the guest's acceptance.
4. This program is designed as a prestigious event, and guests should hold official positions within their respective companies, preferably as CEOs or Chairmen.
5. The program organizer provides support for one representative from each invited company. Additional participants from the same company may attend at their own expense. Twin room accommodation can be arranged at no cost for two persons from the same company.
6. Guests should inform the organizer of any meetings outside the program schedule. While the organizer will make efforts to assist with transportation and coordination, they are not entirely responsible for such meetings.

The Process

1. You receive an invitation to the program.
2. You are supposed to inform us of your decision upon checking the invitation.
3. We send you the visa form, if applicable for your country, and request you to share identification information.
4. You book your flight, fill out the Visa form, and submit the required documents.
5. We ask for the Visa and let you know the latest status.
6. We will welcome you at the Imam Khomeini International Airport (IKA)

ELE PITCH

ELE Pitch is an exclusive event within ELECOMP 2025, where carefully selected companies have the opportunity to showcase their products or services to a distinguished audience of C-Level executives. Each participating company will be allocated a 15-minute time slot to deliver a compelling presentation, followed by a 10-minute Q&A session.

This platform presents a remarkable opportunity to introduce your company to a wider audience, comprising potential partners, suppliers, and sub-contractors. Engaging with this esteemed gathering of industry leaders opens doors to fruitful collaborations, strategic alliances, and business synergies.

With a focused and concise presentation, you can captivate the attention of influential decision-makers, sparking their interest in your offerings and establishing meaningful connections. The interactive Q&A session further allows you to address any queries and provide deeper insights into your products or services, solidifying your position as a trusted and innovative player in the market.

Participating in the ELE Pitch elevates your visibility and offers a unique platform to position your company as a sought-after partner. Seize this exceptional opportunity to make a lasting impression on a larger audience that may hold the key to your future success.
